

WHAT CAN I DIRECT PEOPLE TO 2-1-1 FOR?

What Can 2-1-1 Help With During Covid-19 Pandemic?	
YES	NO
Information on coronavirus: symptoms, spread, disinfecting	Request a coronavirus test or testing kit
Questions about the Safer At Home Health Order	Request an exemption from the Safer at Home Health Order
Guidance for Employers, Businesses, Workers, Medical Professionals, and Service Providers	Request or order masks, sanitation supplies or medical supplies, or accept donations of these supplies
Referrals to sign up for health insurance or find a clinic if you don't already have a medical provider	Screening/testing for coronavirus symptoms or admission to a clinic, hospital, or quarantine center (contact your doctor, medical or clinic provider)
Referrals to food pantries, food distribution sites/ programs, or CalFresh food benefits if you are struggling financially to purchase food	Locations to purchase groceries or meals (grocery stores are restocking, and many restaurants are open for pick up or delivery.)
Shelter referrals, motel vouchers for homeless families only, and eviction moratorium information	Request booking hotel rooms at the Fairplex or any other hotel/quarantine housing locations
Information on County services	Direct connection to County officials or Department of Public Health
Referrals to health, human, and social services and supports - please note service hours and delivery is changing rapidly	Lists of services and providers (resources are changing rapidly, and we are working to update them as quickly as possible so 211la.org or contacting 2-1-1 will be the best source for up-to-date information)
Reporting an act of hate or bullying motivated by country of origin, race, religion, gender, sexual orientation	Filing a police report, or reporting a dispute or crime not motivated by discrimination of a protected class
